### Agreement to use the Basotect EcoBalanced Partner Label

Dear valued customer,

We appreciate your choice of Basotect® EcoBalanced and look forward to having you as a partner. You are invited to use the **BASF's Basotect® EcoBalanced partner** label to showcase this partnership.

In this context, we ask you to observe the following general conditions and to confirm that they are complied with.

- The trademark protection ("Basotect® is a registered trademark of BASF SE") must be recognizable on every page on which Basotect® is mentioned.
- The "Label" provided as well as the individual elements of the Label are provided by BASF and are intended only in their entirety and exclusively for use on your Internet pages and/or communication measures and may only be used on the Internet pages/communication media of Cellofoam Group
- Use on product packaging is not permitted.
- Any modification, modification and/or alienation of the label provided, or its components must be approved by BASF before use.
- The label may not be passed on to third parties.
- Use requires the use of Basotect® EcoBalanced products.
- The use of the label can be revoked by BASF at any time.
